8 March 1982

WEEKLY REPORTIntelligence Community Staff

-- [REDACTED] 25X1

-- A Phase I response to the President's concern on international terrorism should be available by 8 March; Phase II, which will be the topic of a CIPC review, will identify options for increased activity in this area.

-- Preparing responses to follow-up questions from 23 February NFIP HPSCI Overview.

Directorate for Administration

-- The CIA/DIA SAFE audit team has begun its two-week visit to [REDACTED] SAFE 25X1  
Development Facility.

-- CIA representatives met with Department of State officials on 26 February to discuss the problem of protecting CIA information appearing in the Department's records.

25X1

Directorate for Operations

25X1

-- The U.S. Ambassador in Nigeria has activated a plan for withdrawing official Americans because of the poor conditions, including the lack of electricity and water supplies.

Directorate for Intelligence

- Analysts are supporting the Buckley mission to Europe on limiting credits to the USSR.
- Analysts met with Senate Foreign Relations Committee staffers to discuss Iraqi and Syrian involvement in international terrorism; we should expect some awkward times on the Hill on this issue.
- Analysts briefed NSC staffers on South African nuclear program, international safeguards and the pivotal French role as a nuclear supplier.
- Analysts briefed [ ] on Soviet economic prospects. 25X1
- Given Begin's latest illness, we are trying to get out a paper on Israeli succession by mid-week.
- We will provide an NSC staffer in-depth briefings on economic sanctions against Libya.
- With NPIC and DIA, analysts will brief members of the Interdepartmental CBW Working Group on Soviet CW and the implications and limitations of imagery in CW monitoring.
- [ ] brief PFIAB on the technology transfer issue. 25X1

National Intelligence Council

- We hope to have a fast-track SNIE on El Salvador for your review by late this week.

25X1

Personnel

- No report.

General Counsel

- Submitted various options for creating a special leaks investigations unit to the Unauthorized Disclosures Investigations Subcommittee of your Security Committee.
- We do not expect the Senate to deal with the Identities bill until it has disposed of the [ ] matter. 25X1

Inspector General

- Responses to the HPSCI follow-up questions on the Wilson/Terpil hearing are being collated. OGC has prepared draft legislation to control certain post-Agency employment. (NOTE: EXCOM will consider the latter next week.)
